AT-HOME URINALYSIS KIT

## Pro

## AT HOME WELLNESS TEST FOR PETS

### About the CheckUp Product Line

CheckUp Pro provides a quick, simple and reliable testing method to observe the general wellness of cats and dogs through at-home urine testing. The CheckUp pro also make urine sample collection stress-free easy!

Too often, clients do not return for needed follow-up testing in spite of its importance in monitoring a patients' chronic diseases, assessing response to treatment and for adjusting treatment plans. The CheckUp Pro Line targets that segment of your client population that for various reasons, do not come in as often as they should for monitoring, or come back for evaluation of treatments. strips to monitor their pet's urine on a regular basis or to use the kit to collect urine to bring into the veterinary clinic for a full urinalysis.

### Applications for Vets:

- ✓ Helps engage pet owners more frequently on pet's wellness
- ✓ Bridge the gap in visits from diagnosis to follow-up treatment
- ✓ A tool for consistent monitoring of chronic conditions and treatment effectiveness
- ✓ Early detection of chronic conditions
- ✓ Saves time and Cost, without replacing in-clinic visits
- ✓ Allows for clean, simple urine collection

### Benefits for Pet Owners

- ✓ Easy at home use
- ✓ Quick and reliable
- ✓ Efficient at home monitoring for pets with chronic conditions
- ✓ Keeps pet owners engaged and involved with their pet's wellness plan

### Benefits for Pets

- ✓ Stress free and painless
- ✓ Non-invasive
- ✓ Simple and can be done at home
